Have You Seen the 2025 Financials Yet?

FEBRUARY 18, 2026 | BY: THE CLIENT ACCOUNTING SERVICES TEAM

By now the books should be closed for 2025 so that businesses and lenders can review results and make informed decisions, as well as finalize budgets and planning for 2026. And then, of course, there are the reporting requirements for taxes, lenders, and other interested parties.

Our Client Accounting Services division works directly with business owners to provide accurate, timely, and lender-ready financial information. We help clients maintain consistent reporting throughout the year — giving both you and your clients confidence as you navigate year-end discussions and lending decisions.

We offer a solution with our Client Accounting Services team. With over a dozen dedicated accountants, we handle all facets of books and financial reporting. With the Johnson O'Connor CAS team, clients receive:

- Dedicated professionals with no turnover worries.
- Real-time and accurate financial information.
- Timely responses to pressing matters.
- Liaison with bankers and other parties.
- Alerts on potential pitfalls.
- Integration with your tax return and financial statement preparation.

We understand the need for quick closes, timely delivery, and accurate information, and we stand ready to assist you with your next need in this area.
