“My perfect day would be one with a good book to curl up with, a fire going in the woodstove, a cup of hot cocoa, and enough rain that I don't feel guilty about not doing yardwork!”

Betsy has over 20 years of experience in public accounting and has been with the firm since 2007. She provides tax planning, preparation, and consulting services to closely held businesses and their owners. Betsy's area of expertise include federal and multi-state taxation for individuals, LLCs, partnerships and C and S corporations. Betsy services clients in real estate rental and development, software, and professional services. A former teacher, she enjoys working with clients to increase their understanding of tax law and its effect on their personal and business finances.

Outside The Office

Betsy lives with her husband Doug in Groveland. She sings with her church chorus and enjoys running, reading, quilting, and knitting. She uses her accounting skills in her volunteer work with her church, her husband's choral group, and two small family businesses — raising hay and Christmas trees.
