“ A “Perfect” day to me would be sitting in Aruba under a Divi Tree, reading a good book.

Kim joined the firm in 2009 as an administrative assistant, bringing over 20 years of experience with various CPA firms. Kim has recently moved into a Director role, overseeing the Technology Department and Facilities. Her ability to manage the Technology and Facilities Departments helps the firm run smoothly for clients as well as facilitating the needs of staff. Kim is always looking for ways to improve technology and processes to strengthen the delivery of services.

Outside The Office

You can find her spending time with her twin daughters in her spare time.
