“

My favorite vacation spot is Italy. I love the difference between cities filled with history and coastal towns.

Rachel joined the firm in March 2024 as an Accounting Associate in the Client Accounting Services Department. She has over 10 years of experience in the finance industry, including working as an investor in the mortgage servicing department and providing quality assurance assistance to mortgage documents. She also has experience in bookkeeping for a food service company and was an Accounting Assistant for a security company.

Outside The Office

Outside the office, Rachel spends her time with her husband, Chris, their sons, Jackson and Weston, and their three dogs. She enjoys planning and taking vacations, coaching her youngest son's soccer team, and volunteering at her kid's school.

Education

- Bachelor's Degree in Communications from Salem State University

Professional Affiliations

- American Institute of Certified Public Accountants
- Massachusetts Society of Certified Public Accountants
