“ One day, I'd love to take a trip to Scotland and learn about my family's history, and then fly over to the Maldives to relax!

Stacy joined the firm in September 2022 as a supervisor in the Client Accounting Services department. She has over 20 years of experience in a variety of industries including real estate, medical & dental, and professional services.

Outside The Office

Stacy lives in California with her family and loves glamping, campfires and reading. If she's not sitting around the campfire reading, she's with her two daughters spending some quality time together.
